Items for feedback / discussion relevant to the VCS: Items 2,7 12 14 and 16 discussed as one item	

City has no mechanism for reporting under age sexual activity- acknowledged as important – a task and finish group is to be set up to look at developing a policy and procedure.

Any VCS orgs interested in joining this to contact Carol Preston -I suggested that Brighter Futures and others may be interested.

A report has been produced from the workshop attended by many VCS orgs re Child Trafficking and sexual exploitation. This made several recommendations to be considered by the LSCB and C+YP trust. The conclusion is that SARC building in Cobridge will be open for use in June 2011- until this time there is no opportunity or resources to develop a multi agency co located team/service. This is being taken off the policy/procedure sub group agenda until 2011 when it will be more relevant to develop procedures – the issue continues to be driven in other areas so that previous work is not lost.

Item 14 task and finish group to be set up, any VCS organisation interested in joining to contact Carol Preston

Item 12 – multi agency referral form/consent form – there is some confusion about which form is the most up to date and whether organisations need to get parents consent to refer to specialist services.

The form omits to ask many important questions especially with regard to parental mental health and specialist services may be making referral decisions without all the information needed.

Given the issues raised under item 4 there is an acknowledgement of the need for specialist services to be informed of any situation where there is parental mental health. The multi agency level 3 training was discussed and all services are recommended to access this for their frontline staff.

All organisations are urged to access the LSCB website on a regular basis to keep up to date with multi agency policy and procedures to ensure they are using the most up to date resources.

ACTION REQUIRED PRIOR TO NEXT MEETING

A document 'Safeguarding Children and Sexual Exploitation' will be e-mailed to me in the next couple of days, i will ask for this to be distributed to others for comments to be feedback to the sub group.
