

Welcome to your local **COMMUNITY CONVERSATION**

Citizens' Jury – Mental Health

Thursday 19 April 2018

2.00pm – 4.30pm (arrival from 1.30pm)

Bridge Centre, Birches Head Road, ST2 8DD

Over the past year the CCGs have been putting **mental health services** under the microscope, with the help of a Citizens' Jury. Ten people were recruited to act as members of the jury to focus on access to mental health services across Northern Staffordshire. Jury members included people with experience of mental health services, either as patients or carers, and also people with an interest in health care.

The jury carried out focus groups, interviews and a survey to gain feedback and views on people's experiences of mental health services. At the **Community Conversation** event, we would like to share the feedback from the jury's findings, and work with local people to develop and implement the jury's recommendations.

If you have an interest in **mental health**, either through your own experiences, or from a friend/family member, or if you would like to get involved, please join us for this event.
